---

The 'Rendez-vous de Concarneau' constitutes a series of yearly workshops aiming at promoting relationships and strengthening bridges between industry and academic research, and further at providing technology and knowledge transfer among stakeholders within European marine biotechnologies.

The 9<sup>th</sup> Rendez-Vous de Concarneau on marine biotechnology will take place at the marine Station of Concarneau of the National Museum of Natural History (MNHN) on the 25<sup>th</sup> and 26<sup>th</sup> of September simultaneously with *The European Biotech Week - from September 25 to October 01 - 2017*. <http://www.biotechweek.org/>

The main theme will be centered on **Biomaterials on marine biotechnologies**.

---

## SESSIONS:

- Session 1: **International cooperation**
- Session 2: **Medical devices for tissue therapies (I)**
- Session 3: **Bioadhesion - biomimétisme**
- Session 4: **Medical devices for tissue therapies (II)**
- Session 5: **Marine origin polymers used as biomaterials for packaging**
- Sessions 6: **Biomaterials and patent**

---
